EXPERIENCE

Ready at Dawn

2022-current: Game Designer

<http://www.readyatdawn.com/>

- I create gameplay systems for a new, immersive narrative action-adventure VR experience

Star Stable Entertainment

2021-2022: Non-Combat Game Designer

<https://go.lynnfactor.com/starstable>

- I designed the magic system for Star Stable's unannounced project

Arcologue, Inc.

2021: Interaction and Set Designer

<https://go.lynnfactor.com/arc>

- I designed the gameplay interactions and room layouts for Arcologue's unannounced projects

Two Bit Circus Foundation

2019 & 2020: Game Design & Fabrication Summer Intern

<https://twobitcircus.org>

- I designed games for education and fabricated alternative controllers

PROJECTS

Our First Kiss

2021: Lead Designer and Fabricator

<https://go.lynnfactor.com/ofk>

- a queer, alternative controller game about timing your first kiss on a date at the movies

**Showcased at GDC Experimental Gameplay Workshop 2022 and USC Games Expo 2021

everybody's sad

2018: Co-Creative Director & Co-Producer

<https://go.lynnfactor.com/esad>

- a VR experience where the player must attempt to make alive objects happy, but at what cost?

**Nominated for Unity Awards 2019, Best Student Game

**Showcased at Tel Aviv Film Festival 2020, DreamHack 2019, IndieCade 2018, and UCSC Sammy Showcase 2018

TALKS & AWARDS

Speaker, Game Developer's Conference (GDC) 2022

Experimental Gameplay Workshop (EGW)

<https://go.lynnfactor.com/egw22-sched>

- I co-hosted and spoke about the innovative user interface and mechanics of Our First Kiss

Speaker, Game Developer's Conference (GDC) 2019 & 2021

<https://go.lynnfactor.com/gdc2021>

Sexy Microtalks: Making Intimacy, Sex, & Romance in Games

<https://go.lynnfactor.com/gdc2019>

- I hosted a panel of speakers discussing methods for creating different types of intimacy in their games

**Ranked in the top 10% of talks in 2019
